

Dear Julika, and children of
Girodab.

How are you?

We are fine in Angle's Home. you sent us lots of presents and we like it. Thank you very much.

In our free time we play volly ball we like to dance. and To balance on our new slackline.

In our Angel's Home there are living more than 60 girls. and we all visit different schools. some are small and some are big. we have 9 main subjects. They are Maths, Sinhala, English, science, History, Geogra-phy, Helth scince, civil Education, and Religion. Three of ~~usually~~ visit a special school. for children who learn a bit slower. They usully don't have homework but all other girls some times have a lot. our favouri-te food is rice and vegetables with chicken or rice. Yes, we have pets in Angel's Home. They are dogs and their names are Luna, Ledy and Jerry.

What are your hobbie?

Do you have a playground?

Do you have lots of homework? and in which subjects?
what's your favourite food and have you ever cooked together?

when are your holidays?

Best regards from the Angels Home
your Angels
